SACRAMENTO POLICE DEPARTMENT PARTNERSHIP

Join the Natomas Chamber of Commerce at the Sacramento Police Department, North Station, to help us build morale and show we appreciate the officers.

You're invited to join us monthly as we attend the SacPD's roll call. "Roll call" happens at the beginning of each shift. The Lieutenant/Sergeant calls roll and then gives updates as needed to the Officers before

they begin their shift. It's a great insight if you have never attended. There will be time for you to mingle and introduce yourself to the officers. We encourage you to share a story or words of encouragement with the Officers. Although, it's not mandatory.

Our goal is at each roll call we will provide a meal. We're working with Captain Chandler to identify an "Officer of the Month". We will present a certificate and gift basket honoring the Officer. This is where you come in, we need your help!

Please reach out if you'd like to join us. Looking forward to partnering with you as we support our local police.

Ways you can help support the SACPD:

- Show up to roll call. Dates/times below
- Sponsor a meal/treats for the officers (plan for 30 officers/staff. Sandwiches, spaghetti, pizza, dessert)
- Donate an item towards a gift basket for the officer of the month. (Gift card, fun family items, car wash kit)
- OR if you don't have time to shop or cook you can make a one-time donation to the Natomas Chamber. Earmark funds to the SAC PD fund, we will make sure that it goes towards gift/meal. Suggested donation to help with 1 month is \$300.00 - \$500.00.

This is such an important way to build the bridge between the business community and the officers that serve our community. We'd love your partnership!

MICROBUSINESS GRANT
